

## Agency Funds

Agency Funds are used to report resources held by the reporting government in a purely custodial capacity (assets equal liabilities). Agency funds typically involve only the receipt, temporary investment, and remittance of fiduciary resources to individuals, private organizations, or other governments.

*The **Intergovernmental Custodial Fund** accounts for revenues which are transferred to other governmental agencies.*

*The **Municipal Employees Benefit Trust** accounts for retirement monies until they are transferred to an investment firm. In 1975, city employees voted to replace the Federal Social Security Program with this private retirement plan.*

*The **Contractors Deposit Fund** accounts for cash bond deposits received from contractors or private parties and amounts retained from contractor's payments on City projects as a performance guarantee.*
